

Another Magpies makes it to the Top

The year was 2006 and Jake Mullaney was just finishing his junior career with Magpies CC. What a final year for Jake he finally won the elusive premiership that had seen him as runner up for the previous 4 seasons. He finished his career as the all time leading run scorer for juniors in our Club. Jake represented his district and played at Emerging Blues level throughout a distinguished junior career with us. He is one of only 5 players to play 100 or more games as a junior and has always been a credit to his parents and our Club.

It is for this reason that as President I am very proud to say I have been fortunate enough to have been associated with Jake through his time at Magpies CC.

Unfortunately for cricket but fortunately for Rugby League Jake's real passion is rugby league and this weekend will see Jake Mullaney play fullback for the Wests Tigers Under 20 Toyota Cup side in the Grand Final at ANZ Stadium.

As you can see leading from the front is what Jake is all about; so his outstanding record in his first year of senior football is no surprise to me.

Leading points scorer 308 points

Leading Try scorer 27 tries in 26 games

Fox sports Toyota Cup player of the round twice - only player to achieve this.

We certainly wish Jake all the best in his chosen sport and only hope some of the values of commitment and desire he had when playing for Magpies CC can take him to the top in Rugby League. Starting with a win in this week's Grand Final. Hopefully he will follow in the footsteps of two other very handy cricketers that played for Magpies CC that have gone onto play for the Wests Tigers – Chris Lawrence and Brett Hodgson.

GO THE TIGERS – We will all be behind the Tigers No 1 this weekend
